cdDes 10 L | 10 l

Manufacturer	
Product number	336
Weight	10kg
Length	235mm
Width	180mm
Height	310mm

Product description

Cleaning agent for stable, household, and industry

Hygiene agent

For the high health and hygiene standards of our society detergents are indispensable. **cdDes** is a fast-acting detergent and hygiene agent without petrochemical ingredients. The mild composition enables thus gentle cleaning of everyday items. In a special electrolyte process, salt, water, and electricity are used to produce a highly effective detergent and hygienic agent, which after its cleaning action breaks down into its source materials, water and salt. **cdDes** contains no surfactants, no colorants and fragrances, no preservatives, and is fat- and oil-free.

Range of uses:

- Wipeable surfaces of all kinds: tables, chairs, light switches, door handles, and similar contact surfaces
- Cleaning of utensils, appliances, work tables, etc.
- Cleaning of objects that come into contact with animals: Transport containers, drinking bowls, pieces of furniture, brushes, etc.
- Cleaning of piping systems: Milking systems, drinking water systems, etc.

Composition: sodium-containing, electrolytical-energetically treated water

Application recommendation: Spray onto affected areas.
Quantity applied: ca. 5 ml/m^2. Up to 250 ml bottle: 1 spray = ca. 0.15 ml. From 500 ml bottle: 1 spray = ca. 1.3 ml.

Store it cool and dark!
