Tea Tree Oil 10ml | 10 ml

Manufacturer	
Product number	64
Weight	0.009kg
Length	24mm
Width	24mm
Height	71mm

Product description

Pure Tea Tree oil, which is obtained in conserving water distillation process. The active ingredients of the oil are released in a gentle way. Thus, in contrast to the industrial turbine distillation ensures that no temperature can occur above 100°C. Due to the low temperatures are no allergenic "combustion products". This improves compatibility for human and animal health.
Note: This high-quality Tea Tree oil is also contained in many of our care products.
