Product description

Care product

Fragrance oil for animals

Defense Concentrate mild is a skin-care fragrance oil, which masks the inherent odor of the animal. The animal is no longer perceived by insects and nuisances as an animal and thus no longer as an attractive host worth infesting.

Expert tip: **Defense Concentrat mild** is basically waterproof in case of rain and bathing in waters. However, it should be reapplied after shampooing.

Contains lavender oil and citronellol. May produce an allergic reaction.
