Product description

Agili-Dog is a natural complementary feed for dogs and provides the animal's body with valuable herbs, vitamin E, selenium, amino acids, electrolytes, essential fatty acids, and iron. For nutrition-related support in case of general weakness, listlessness, after illness or surgery, after breaks in training, lack of agility, and before, during, as well as after gestation.

The food complement Agili-Dog is also recommended for performance dogs and agility friends. The contained herbs and nutrients support not only the liver and kidney, but also the muscle development and cardiovascular function. When fed regularly, Agili-Dog can also have a positive effect on performance in terms of endurance and speed.

to support the liver and kidneys
for protection against free radicals and oxidative stress
for regeneration after physical stress
for muscle building for athletic dogs
